2022 KNIGHTS BRIDGE SAUVIGNON BLANC FAIRVIEW

VINEYARD COLLECTION

Our Vineyard Collection wines highlight unique characteristics from specific blocks. These place- and terroir-driven wines reflect a pure expression of our estate vineyard in Knights Valley and winemaker Douglas Danielak's guiding hand to bring out their highest qualities. Each block name is grounded in family history and our rural roots to reflect and honor our values. An exceptional and dedicated teacher, Ethel Linville Bailey's first teaching post was in the same rural, one-room schoolhouse in Fairview, TN where she attended primary grades. This role set her on a life-long journey as a passionate educational leader.

WINEMAKING

We night harvest by hand to preserve complex aromas and flavors and for better control over the fermentation process. The grapes are then sorted and lightly pressed; the juice is settled completely before beginning a slow fermentation at cool temperatures. Aging in 60% new French oak provides a framework for the complex aromas of Sauvignon Musque. The balance is aged in stainless steel to preserve the freshness of fruit while providing a thread of minerality that is common to our Knights Bridge Estate Sauvignon Blancs.

TASTING NOTES

Fairview is sourced from a single block of Sauvignon Blanc from our Knights Bridge Estate Vineyard. Planted to the Musque clone, it delivers fruit with a delightful array of varietal aromas, superfine texture, and impressive weight. The 2022 vintage is a rich, bold expression reminiscent of a great young white Bordeaux, with aromas of white fig, linden flower and Meyer lemon. The entry is expansive on the palate, revealing lemon shortbread, kaffir lime, wildflower honey, and citrus fruits. Enjoy now through 2035.
