VINTAGE

The 2024 growing season began with above average rains in winter, followed by an earlier budbreak and cool springtime. Summer brought high temperatures, reaching a peak in July. Harvest began slightly earlier than usual and the milder August and September months provided time for even ripening. The early abundance of water coupled with the summer's high temperatures delivered a vintage marked by concentrated flavors and distinctive character.

WINEMAKING

In response to the vintage, we leaned further into our commitment to terroir transparency—utilizing a greater proportion of neutral oak and 500L puncheons to lengthen élevage and amplify nuance without overt influence. Elevage unfolded slowly over several months, unlocking depth and textural grace. A small portion fermented in new 500L puncheons frames the wine with subtle creaminess and aromatic warmth, while the remainder, raised in stainless steel eggs and seasoned barrels, preserves the mineral edge and energy that define this site.

VINEYARD

The 2024 Fairview is sourced from a single block, 6B, of Sauvignon Blanc “Musque” from our Knights Bridge Estate Vineyard. “Musque” is a unique clonal selection that delivers an exotic array of aromas, a superfine texture and impressive weight. We choose to plant Sauvignon Blanc exclusively on clay loam since the soil retains moisture throughout the season allowing the varietal to develop complete flavors for a pure and concise expression.

VINEYARD COLLECTION

Our Vineyard Collection wines highlight unique characteristics from specific blocks. These place and terroir-driven wines reflect a pure expression of our estate vineyard in Knights Valley and winemaker Derek Baljeu's guiding hand to bring out their highest qualities. Each block name is grounded in family and our rural roots to reflect and honor our values. This beautiful Sauvignon Blanc celebrates Ethel Linville Bailey's first teaching post in Fairview, TN.
