VINEYARD COLLECTION

Our Vineyard Collection wines highlight unique characteristics from specific blocks. These place and terroir-driven wines reflect a pure expression of our estate vineyard in Knights Valley and winemaker Derek Baljeu's guiding hand to bring out their highest qualities. Each block name is grounded in family and our rural roots to reflect and honor our values. This exceptional Cabernet is a tribute to Ethel Linville Bailey, mother, teacher, and inspiration to Knights Bridge founders and brothers Jim and Essel Bailey.

VINTAGE

The 2023 growing season unfolded at its own unhurried pace. Abundant winter rains replenished the vineyard, and cool temperatures carried through much of the spring and summer, allowing the vines to develop slowly and evenly. The long growing season allowed every block to ripen at its own pace, building depth, freshness, and balance. Harvest stretched through the end of October, rewarding patience with fruit of exceptional character and the structure to age.

WINEMAKING

Fruit was hand-picked in the early morning hours of October 18, sorted and destemmed. The grapes then underwent a 72-hour cold soak before beginning traditional fermentation with two pump overs per day for 10 days. This wine was aged for 20 months in 75% new French oak from Orion, Saury and Taransaud.

VINEYARD

The 2023 Linville is sourced from a single block situated on a panoramic hillside of our estate, featuring rugged Goulding Series, a red volcanic soil. There are two selections of Cabernet Sauvignon; Clone 337 brings red fruits and a seamless elegant texture, and Heritage Clone 6 delivers dark chocolate and cacao flavors that carry into the finish.
